Reflections on The Yorkshire One Season- 2009/2010

After having been promoted for the third time in three successive seasons, the Club had achieved its 5-year plan to gain Yorkshire One status, with two years to spare going into the campaign, so the pressure was on to compete at the higher level. Indeed we maintained our impetus with five wins from our opening six games, with just a narrow defeat away at Sheffield, a game we lost with the final play. In each of these opening matches we scored at least four tries a feat that would have gained us six extra bonus points under next season's new scoring initiative.

The next five games produced two away defeats against York and Wheatley Hills but we remained unbeaten at home, and we were riding high in second place in Yorkshire One.

Moortown were no match for us in the First Round of the Yorkshire Shield and although we relinquished our home record against Scarborough, the only side to complete the league double over us, we were still in second place come the Christmas break.

After the break unaccountably we went into a nose dive winning only two of the next seven games, losing to Selby, Yarnbury and Skipton, the teams that finished in the bottom three positions at the end of the season. We did, however, dig deep to register home wins over the two teams, York and Sheffield that finished in second and third. We finished the league season strongly with four wins from our last five games including a home win against promoted side Wheatley Hills.

We ended the season in fourth place and will look back on the dip in form at the start of 2010 that surely cost us a top two finish. But despite this, 2009/2010 has been another very successful season for the whole squad.

The season finished with a run in the Yorkshire Shield Cup Competition. The comfortable second round win at home to Hullensians was followed by a hard-earned win away at North Ribblesdale in the Quarter Final. The semi-final defeat away at Bridlington left a sour taste in the mouth with some below-par refereeing denying us a place in the final against Selby and an opportunity to represent Yorkshire in the Senior Vase next season.

However, in a season when we welcomed new players, Carl Paterson, Dave Reed, Joe South, Alex Bremer and Gareth Burns and scored 103 tries in all competitions, only losing by more than seven points on three occasions, it is now time to reflect on another excellent campaign and put any misgivings behind us and go forward in confidence to 2010/2011, in the knowledge that we are more than capable of strengthening our position next season in Yorkshire One.
